CHARDONNAY

REGION:

Dartmoor Valley, Puketapu, Hawke's Bay

GRAPE VARIETY:

Chardonnay

The Cadwalladers Riverside range of wines is designed to reflect the varietal characteristics of the fruit from which they are made.

Winemaking techniques enhance the ripe fruit flavours and the wine is produced in an easy drinking style that is best enjoyed young.

TASTING NOTES:

The aromas lead you into this wine, tempting you to take the next step, where you will find a powerful combination of fruit and subtle oak on the palate. It has a warm finish with lasting creamy and stone fruit characters which fashion a very drinkable wine.

SERVING SUGGESTIONS:

This wine will complement pork, fish, chicken and pasta dishes. Serve lightly chilled.

WINEMAKING NOTES:

Diligent vineyard practices resulted in balanced vines, with well exposed bunches allowing the fruit to obtain the ripe fruit flavours. A portion was barrel fermented and oak aged to give complexity.
