DISTANT LAND WINES

Sauvignon Blanc—Marlborough

Fruit from selective Awatere and Wairau vineyards.

The nose is concentrated and has punchy tropical notes highlighted with fresh cut grass. A succulent palate of passion-fruit and minerality leads to a gentle finish of crisp bell pepper and an invigorating citrus burst.

Chardonnay—Gisborne

A easy drinking fruit driven Chardonnay. Peach and citrus fruit with a yeasty influence in the mouth with a little nuttiness leading to a creamy finish. A wine to be savoured and enjoyed at all occasions.

Merlot—Hawkes Bay

Dark, generous flavoured—crammed with layers of plum, spice and dark chocolate flavours with a sweet oak influence, savoury leathery notes adding complexity with an excellent lingering finish.

Pinot Noir—Marlborough

An inviting softer wine with layers of dark cherry, raspberry, blackberry and earthy mushroom flavors providing perfectly integrated balance of tannins and oak. Grapes sourced from some of Marlborough's finest vineyards. A treat in every glass.

Pinot Noir—Central Otago

Hand selected parcels of fruit grown amongst the old gold diggings situated high up on the north facing rocky hills of Central Otago. The nose features dark stone fruit, spice, bramble, blackcurrant and plum follow on the palate with a dark cherry finish. This wine has the hallmark of fine ripe tannins from excellent Central Otago Pinot Noir grapes.
